

PORTSMOUTH ADVERTISEMENTS AND TELEGRAPH CONTINUED—BERKLEY NEWS.

Stops Irregularities.

My menstrual periods have been very irregular both in time and color. They would return in every 24 or 25 days, and last from 5 to 14 days. I would almost suffer death from them. I also had heart palpitation, and every kind of ache and pain. I took Wine of Cardui and followed your advice, and this month for the first time in years I passed my period without pain.

MALINDA JACKSON.

WINE OF CARDUI

Think of such suffering as this. Long years of aches and pains that might have all been saved. That's the pitiful part of it—to think that Miss Jackson did not try Wine of Cardui years ago. It would have cured her then as easily as it did later, and what it did for her, it will do for you. It banishes headaches, and backaches and pains, and regulates the menses like clockwork, so that there is not too much or too little or none at all. It has done this for thousands of the best women in America, and it will do it for you. The least deviation from the monthly habit is dangerous. If you will use Wine of Cardui each month in connection with Black-Draught, to keep the stomach and bowels in good condition, you will have painless, regular periods and feel as well as Malinda Jackson does. You can get a \$1.00 bottle of Wine of Cardui from your druggist.

For advice in cases requiring special attention, address, giving symptoms, the "Ladies' Advisory Department," The Chattanooga Medicine Co., Chattanooga, Tenn.

LIEUTENANT GENERALS OF THE PAST AND A LIEUTENANT GENERAL OF THE FUTURE.

It seems extremely probable that congress will soon pass a bill making lieutenant general the rank of the senior officer in the United States army. The major general at present in command of the army is Nelson A. Miles, and if the bill passes his long cherished ambition to be made a lieutenant general will be realized. The first lieutenant general of the United States army was George Washington. The other American soldiers who won this high rank were Grant, Sherman, Sheridan and Schofield. Scott was a lieutenant general by brevet only. The next higher rank is that of general, which was won by Washington, Grant, Sherman and Sheridan. In the past when the rank of general or lieutenant general was to be conferred a special act of congress was necessary. The present legislation will revive and make permanent the rank of lieutenant general.

Forged Virginia Bonds.
(By Telegraph to Virginian-Pilot.)
New York, April 27.—Julius Schreuer, who has been on trial for some time before Judge Newburger in court of general sessions on the charge of forging the names of the State Treasurer and Auditor of the State of Virginia to an issue of bonds ordered in 1882 by that State and obtaining \$38,000 on them from the firm of Ladenburg, Thalmann & Co., of this city, was this afternoon found guilty of "uttering" the bonds. He was remanded back to the toms, and will be sentenced on Tuesday next. The conviction of uttering the bonds saves the defendant from the punishment of forgery.

BERKLEY NEWS AND ADVERTISEMENTS

ATTEMPTED BURGLARY

A Man Secreted Himself in the House of Mr. N. H. Palmer.

A New Lodge Of Odd Fellows Instituted—
A Thief Steals Box Of Tobacco Residence Burned—Services In The Churches Sunday—Dr. Steele's Lecture.

A gang of burglars seem to be operating in Berkley at present. Thursday night a burglar secreted himself in the home of Mr. N. H. Palmer, on Liberty street. Mrs. Palmer entertained a crowd of young people until about 10 o'clock, when she retired. Very soon thereafter an attempt was made to force Mrs. Palmer's door. She sprang from her bed, screamed and frightened the would-be burglar off. Mr. Palmer, a brother of Mrs. Palmer, came to the front door just as the intruder was making his exit via the rear door. He barely escaped an encounter with Mr. Palmer.

ODD FELLOWS' LODGE.
Grand Master W. H. Bailey, of the State, assisted by Tidewater and Oakdale Lodges, instituted a new lodge of Odd Fellows of 64 members Thursday evening at Pythian Castle. The following officers were elected and installed: E. L. Cox, N. G.; A. S. Johnson, V. G.; J. L. Grimes, Treasurer; S. W. Godwin, Secretary; F. C. Hough, Chaplain; H. C. Humphreys, Warden; R. W. H. Burroughs, Conductor. It is to be known as Lee Lodge, No. 74, and it will hold weekly meetings. The next meeting will be held at Red Men's Hall, on Sharp street, next Monday night.

AN ACCIDENT.
Yesterday afternoon about 6 o'clock, while engaged at W. H. Barnes' box factory, Kenny Billups, a small colored boy, lost the two last fingers to the first joint of left hand. He was taken to the office of Dr. Norfleet, who, with the assistance of Dr. Norfleet, made him as comfortable as possible.

STOLE BOX OF TOBACCO.
Thursday night an unknown man went into Mr. S. W. Wilson's grocery store, South Norfolk, and fixed himself on a box by the counter as if to spend the evening. A while later, seeing that the clerk was not noticing him, he walked behind the counter and took a 30-pound box of tobacco and walked out. The man suddenly disappearing attracted the clerk's attention and the absence of a box of tobacco made him more suspicious to know something of his whereabouts. He took his pistol and pursued the thief, and after shooting at him four times the latter dropped the box of tobacco and made good his escape. Mr. Wilson thinks the thief was the same man who visited his store some weeks ago and carried off a box containing 500 cigars.

RESIDENCE BURNED.
A two-story frame residence in Sweet Canaan, occupied by Job Wright, colored, and owned by Moses Whitehurst, also colored, caught fire yesterday afternoon about 1 o'clock and burned down in a very short while. No alarm was turned in as the building was about a mile in the country.

A boss burner in a sewer-pipe factory at Alton, Ill., had such a severe pain in his right side that he could get but little sleep or rest. His doctor told him the trouble was a disordered liver. The man had always been healthy before, and doubted what the doctor told him, but he knew something must be done, and took the physician's advice and treatment. He got relief, but it was not lasting. His subsequent experience is given in a letter, in which he says: "I read some of the advertisements about Ripans Tablets, and concluded to try them, and had used less than one-half dozen Tablets when the pain disappeared. Of course, I felt a little doubt as to whether it would return or not, so took a few more to be sure. The result has satisfied me that one dollar spent for Ripans Tablets will accomplish more than five dollars spent for so-called advice and treatment as meted out by the ordinary practitioner."

A new style pocket containing THE RIPAN'S TABLETS in a paper carton (without glass) is now for sale at some drug stores—PUS FIRST CHOICE. This low-priced sack is intended for the poor and the economical. One dozen of the 8-cent cartons (large) can be had by mail by enclosing ten-cent note to the Atlantic Chemical Company, No. 10 Spruce Street, New York—on a single carton (with glass) will be sent for five cents.
